Sebastian Wolf

Management Accountants' Business Orientation and Involvement in Incentive Compensation

Empirical Results from a Cross-Sectional Survey

6

Controlling & Business Accounting

Herausgegeben von Barbara E. Weißenberger

Table of contents

Foreword	V
Acknowledgements	VII
Table of contents	IX
List of figures	XIII
List of tables.....	XV
List of abbreviations	XIX
List of symbols	XXI
A Introduction.....	1
1 Motivation and overview of prior research	1
2 Research objective	4
3 Outline of the thesis.....	7
B Research method.....	11
1 Collection of survey data and sample.....	11
1.1 Data collection and survey administration	11
1.2 Sample description.....	14
2 Data analysis using structural equation modeling.....	18
2.1 Methodological foundations	18
2.2 Analysis of research models using the partial least squares technique.....	27
C Business orientation of management accountants	41
1 Related literature, hypotheses, and constructs.....	41
1.1 Literature on business orientation of management accountants	41
1.2 Hypotheses development and research model.....	47
1.3 Operationalization of constructs	52

2	Results	55
2.1	Results of main research model	55
2.1.1	Results of measurement models	55
2.1.2	Results of structural model	59
2.2	Results of an alternative research model	63
2.3	Robustness of results	67
3	Summary of Part C	77
D	Involvement of management accountants in incentive compensation	79
1	Related literature, hypotheses, and constructs	79
1.1	Extended tasks and roles of management accountants	79
1.2	Management accountants' tasks and roles in incentive compensation	83
1.3	Hypotheses development and research model	88
1.4	Operationalization of constructs	94
2	Results	100
2.1	Results of main research model	100
2.1.1	Results of measurement models	100
2.1.2	Results of structural model	107
2.2	Results of alternative research models	110
2.2.1	Impact of dominant role types on the involvement of management accountants in incentive compensation	110
2.2.2	Combination of research models	117
2.3	Robustness of results	118
3	Summary of Part D	129

E	Conclusion	131
1	Contributions	131
2	Implications for business practice	133
3	Limitations.....	134
4	Suggestions for future research	135
F	Appendix	139
	References	149
