

The background of the book cover is a vibrant, abstract composition. It features a dense field of green and yellow binary code (0s and 1s) that appears to be flowing and swirling. Overlaid on this digital backdrop is a stylized world map, with the continents rendered in shades of blue and white. The map is positioned in the lower half of the cover, with the Americas on the left and Europe and Africa on the right. The overall effect is one of high-tech, global connectivity and digital warfare.

ROLAND HEICKERÖ

THE **DARK SIDES** OF THE **INTERNET**

On Cyber Threats
and Information Warfare

PETER LANG

Internationaler Verlag der Wissenschaften

Table of Contents
