Details

The Asian Yearbook of International Economic Law (AYIEL) 2023 addresses the rapidly evolving field of international economic law with a special focus on Asia and the Pacific. This region has long been and remains a major engine of the world economy; at the same time, it is characterized by a host of economies with varying developmental levels, economic policies and legal jurisdictions. The AYIEL 2023 therefore focuses on international economic law, especially on security and industrial policy.
