Details

This book explores the intricate interplay between humility, humor, and hope in the context of Christian leadership. Drawing upon biblical foundations and contemporary leadership theories, it provides a comprehensive understanding of how these three qualities synergize to enhance the effectiveness of Christian leaders. By examining their individual significance and exploring their combined impact, this volume advances the field of organizational leadership, particularly in addressing the challenges of leadership in a manner consistent with Christian principles. The authors illuminate the crucial roles of humility, hope, and humor in Christian leadership, making this a valuable resource for researchers interested in leadership within the context of faith. This contribution will align with existing literature on how Christians can leverage their faith for improved leadership capabilities.
